

EVERY WARRIOR HAS A STORY.
EVERY DONATION MAKES A DIFFERENCE.

OUR MISSION

Today, tens of thousands of service members, their families, and caregivers receive support through 20 free Wounded Warrior Project (WWP) programs focused on engagement, mind, body, and economic empowerment. There are no fees or dues, ever. Those were paid on the battlefield. That is why we rely on donations of time and money from people like you, who care enough to let every wounded service member know that his or her service — and sacrifice — is appreciated. When you give through WWP, you are not just making a donation. You are investing in our mission to honor and empower Wounded Warriors.
